Arkansas Pre-approved Capital Expenditure List

SFAs must seek prior approval for capital expenditure purchases that are sole source purchases, OR purchases that exceed $10,000 that are not on this pre-approved capital expenditure and equipment list. SFAs may purchase items on this list that exceed $10,000 without further approval from Arkansas FND. Pre-approval is granted for the item only. If delivery and installation fees apply, please seek guidance from FND.
