### Memo Text

Community Eligibility Provision (CEP) is a United States Department of Agriculture (USDA) special provision that provides schools with an alternative method for counting and claiming student meals in high poverty local educational agencies (LEAs). Schools must participate in the National School Lunch Program (NSLP) and a School Breakfast Program (SBP) for the 2022-2023 school year (SY). LEAs electing to participate in CEP agree to serve all students lunches and breakfasts at no charge for four (4) successive school years. LEAs may choose to participate as individual schools, groups of schools, or as a complete LEA.

Procedures to Participate:

LEAs that wish to participate in CEP for the 2022-2023 school year should email the following to [ade.chnutcep@ade.arkansas.gov](mailto:ade.chnutcep@ade.arkansas.gov) :
