

# ARKANSAS DEPARTMENT OF AGRICULTURE

## PLANT INDUSTRIES DIVISION

### APPROVED OUT-OF-STATE SEED LABS FOR RICE GMO TESTING

- If the rice seed is located out-of-state and will be sold into or within Arkansas, the seed must be sampled by that state's official seed sampling personnel and tested at an approved laboratory listed below.
- Contact your chosen seed laboratory listed below to arrange the submission of your seed sample(s).
- Discuss the cost of the analysis up-front and follow instructions provided by the laboratory.
- All documentation, from sampling to testing, **MUST** be provided to the Department's Seed Section at: [regulatoryseed@agriculture.arkansas.gov](mailto:regulatoryseed@agriculture.arkansas.gov)
- Testing labs must report/release results directly to the Department.
