

ARKANSAS DEPARTMENT OF AGRICULTURE

AGRICULTURAL PESTICIDE DISPOSAL PROGRAM PRE-REGISTRATION FORM

The Abandoned Pesticide Disposal program is a free, non-regulatory program designed to help farmers and landowners safely dispose of banned, unusable, and/or no longer needed/wanted agricultural chemicals. There is no catch, no red tape, and applicants contact information is kept strictly confidential. This form is used for registration purposes only. Please register for the County Collection Event you plan to attend and the quantities of chemical to be delivered for disposal the day of the event.
