Drinking Water Benefits Report

Borrower's Name: **Loan No.** **Project No.**

Project Name:

Project Description:

PWS Id #

System Population:

Is the system a community water system? Yes No

Total Population:

Project Information :

Actual Project Start Date: Project Completion Date:

Needs Category:

%	Amount ($)	Description
0%		Land Acquisition
0%		Treatment
0%		Transmission and Distribution
0%		Storage
0%		Source
0%		Restructuring
0%		Purchase Systems
0%		Planning and Design

Green Project Reserve (GPR) Funding

Green Infrastructure Amount	
Energy Efficiency Amount	
Water Efficiency Amount	
Environmentally Innovative Amount	

Compliance Categories:

%	Compliance Amount ($)	Description
0%		Return to Compliance
0%		Maintain Compliance
0%		Comply with Upcoming Requirements
0%		Address State only listed contaminant
0%		Other

Submit to: AGRI.Applications@arkansas.gov

Other Information

Does this project have a resilience component? ☐ Yes ☐ No

If yes, Select the Resiliency Purpose. Select One

Does this Project Contribute to Consolidation? ☐ Yes ☐ No How many systems were eliminated?

Does this project create new systems? ☐ Yes ☐ No How many systems were eliminated?

Lead Line Service Project:

Does this project include Lead Service Line Replacements? ☐ Yes ☐ No (if no skip this section)

Is this project complete? ☐ Yes ☐ No

Estimate the number of lead services line replaced?	
Provide the final number of lead services line replaced?	

Does this project have a component that addresses Lead? ☐ Yes ☐ No

Does this project include Lead Service Line Inventory? ☐ Yes ☐ No

Is this a new Inventory or an update? ☐ Update ☐ New

Emerging Contaminants Project:

Does this project include Emerging Contaminant Funding? ☐ Yes (select all that apply) ☐ No (if no skip this section)

Is this being addressed	Yes	No
PFAS		
Cyanotoxin		
Microbial		
Chemical Contaminant		
Other Contaminant		
Other Contaminant not listed
