

Clean Water Project List Priority As of 04/01/2026

PPL #	Unfunded	Entity	Total Points	Project Description	OSG yes/no	Base or General Supplemental	EC	Estimated Project Cost	Green %	Green Category	Estimated Green	Applicant Population
1		Westwood Village FB	1088	Repair or replace failing sewer system	No	X		1,963,118.00	100%	Water Efficiency	1,963,118.00	190
2		Jasper, City of	1086	Improvements to Wastewater treatment facility	No	X		2,041,750.00				466
3		Northwest AR Conservation Auth (NACA) - Plant	1086	Wastewater Treatment Plant improvements	No	X		85,000,000.00	100%	Energy Efficiency	85,000,000.00	518,000
4		Malvern	1084	Rehabilitate aging sewer infrastructure	Yes	X		5,000,000.00				10,719
5		Highfill	1080	Regional connection to Centerton and NACA sewer systems	No	X		5,443,500.00	100%	Energy Efficiency	5,443,500.00	1,587
6		Cave Springs, City of	1077	Divert WWTP flow to NACA; close existing plant	No	X		4,200,000.00	100%	Energy Efficiency	4,200,000.00	1,729
7		Magazine	1073	Install bar screen, influent flow equip, lift sta. aeration, replace clarifier, et	No	X		1,343,726.00				792
8		Mt. Top Suburban Imp. 66	1069	Provide service into Hwy 7 South/replacing their WWTP	No	X		2,215,369.00				2,000
9		Dumas, City of (Mitchellville)	1068	Dumas -Mitchellville New Wastewater Treatment Plant	No	X		4,066,953.00	100%	Energy Efficiency	2,440,172.00	4,706
10		Dumas, City of (Winchester)	1068	Regionalization to Winchester and the Pickens community	No	X		3,975,000.00				4,706
11		Lost Bridge Village	1066	New Wastewater Treatment Plant	No	X		2,785,642.00				434
12		Jasper, City of	1064	New sludge processing facility install	No	X		5,000,000.00				498
13		Bentonville	1063	Repair, replace failing obsolete infrastructure and process intensification	No	X		95,000,000.00				54,164
14		Dierks	1063	Improvements to WWTP and sewer line replacement; 42,000 l.f. & manhole	No	X		4,724,206.00	50%	Water Efficiency	2,362,103.00	916
15		Horatio	1063	Replace existing collection sytem and rehab two lift stations.	No	X		5,037,302.00	80%	Water Efficiency	4,029,841.60	920
16		Huttig	1063	Linework replacement and additional aerator and levee repair	No	X		4,966,827.00	20%	Water Efficiency	993,365.40	442
17		Stephens	1063	Replace existing collection syst. w/7000 ft of 8" mains, manholes , etc.	No	X		1,333,344.00	100%	Water Efficiency	1,333,344.00	770
18		City of Mena	1062	Construction of new activated sludge WWTP; possibly tertiary filters; rehab some collection lines	No	X		11,583,500.00				5,599
19		Calico Rock	1058	Sludge pump station, filter, polymer feed bldg., renovate chem feed bldg.	No	X		938,825.00				888
20		Camden	1058	Replace wastewater collection system	No	X		2,334,224.00	100%	Water Efficiency	2,334,224.00	10,369
21		Clinton	1058	Headworks and influent metering improvements;reroute of Archey Fork linework	No	X		5,472,225.00				2,602
22		EL Dorado WATER UTL.	1058	Rehab of two existing WWTP lants.	No	X		68,051,977.00	20%	Energy Efficiency	13,610,395.40	17,390
23		Eureka Springs	1058	Repairs to the WWTF and repairs for ongoing use/major upgrades	No	X		6,000,000.00				2,245
24		Hope	1058	Smoke Testing /SSES and repairs/replace linework and manholes	No	X		3,680,000.00				8,952

Clean Water Project List Priority As of 04/01/2026

PPL #	Unfunded	Entity	Total Points	Project Description	OSG yes/no	Base or General Supplemental	EC	Estimated Project Cost	Green %	Green Category	Estimated Green	Applicant Population
25		IRWP	1058	Critical stormwater infrastructure to dentention release time mgmt. and biomediation of stormwater	Yes	X		439,000.00				298,256
26		McGehee	1058	Replace existing 2000' of 15"sewer main, 3500' of 12" main, 4G' of main	No	X		2,156,463.00	100%	Water Efficiency	2,156,463.00	3,849
27		West Fork	1058	Redirect HAS sewer flows into West Fork's thence to Fayetteville	No	X		1,120,000.00				2,335
28		North Little Rock Wastewater	1056	Multiple Interceptor Rehab	No	X		46,800,000.00	100%	Water Efficiency	45,000,000.00	66,075
29		Watershed Conservation Resource Center	1055	Restoration of stream and riparian corridor to reduce nonpoint source	Yes	X		1,000,000.00				120,000
30		Hope	1054	Pond dredging for sludge removal at 2 treatment plants/ install filter, UV,	No	X		3,488,000.00				3,442
31		Camden	1053	New floating aerators	No	X		1,135,200.00				10,369
32		Corning	1053	Cleaning and Televising a portion of the collection system for line replace	No	X		1,919,023.00	100%	Water Efficiency	1,919,023.00	3,227
33		Jacksonville WW Utility	1053	Replace solids dewatering equip, install alkaline feed, emergency auxi	No	X		5,966,832.00				29,477
34		McGehee	1053	remove and replace enclosures, pumps, piping, rehab 7 lift stations	No	X		835,116.00				3,849
35		Mountain View	1053	Sewer line extension, treatment plant improvements, pump station rehab	No	X		12,618,575.00				2,839
36		Pollard	1053	Construct non-discharge land application system for WWTF	No	X		2,273,919.00				194
37		Perryville	1050	Ultraviolet Disinfection system, replace lift station, flow meter, gates, etc	No	X		1,184,968.00				1,449
38		Arkansas City	1049	Reduce stormwater inundation dangers reducing the system's abilities	No	X		396,451.00	100%	Energy and Water Efficiency		369
39		H2Ozarks	1049	Septic Tank replacement or repairs	No	X		1,300,000.00				303,632
40		IRWP	1049	Septic Tank replacement or repairs	No	X		650,000.00				298,256
41		Mountainburg	1049	Eliminate chlorine disinfection /Rehab of WWTP	No	X		1,037,000.00				528
42		Arkansas City	1048	Storm drainage through improved collection and pumping to the Miss River	Yes	X		2,366,423.00				369
43		Calico Rock, City of	1048	Replacing 5 manholes which is source of infiltration	Yes	X		50,000.00				888
44		Jennette	1048	Install two lift stations and 2000 lf of gravity sewer main, rehab pump sta.	No	X		854,651.00				115
45		Glenwood	1048	Replace existing lines with 28,000 l.f. of 8 and 10-inch sewer man.	No	X		4,383,515.00	100%	Water Efficiency	4,383,515.00	1,979
46		Mineral Springs	1048	Replace existing 54,000' of linework/ Rehab/Replace existing line.	No	X		1,249,544.00	100%	Water Efficiency	1,249,544.00	1,085
47		Stuttgart	1048	Install a suspened growth biological reactor at the WWTP	No	X		12,911,332.00				9,000
48		Austin, City of	1046	WWTP improvements and additions	No	X		3,078,031.00				3,693

Clean Water Project List Priority As of 04/01/2026

PPL #	Unfunded	Entity	Total Points	Project Description	OSG yes/no	Base or General Supplemental	EC	Estimated Project Cost	Green %	Green Category	Estimated Green	Applicant Population
49		Searcy	1046	Sewer line rehab and new gravity interceptor sewer. Additional funds sought June, 2022. Waiting on PPL App for original and additional funds combined. Sent to Searcy on 5/23/22.	No	X		4,950,000.00	100%	Energy and Water Efficiency	4,950,000.00	23,673
50		Keiser	1045	Rehabilitation of the city's wastewater collection system	No	X		4,557,024.00	100%	Water Efficiency	4,557,024.00	751
51		Central Arkansas Water	1044	Wrightsville/CAW Purchase Agreement for ownership assumption	No	X		11,800,000.00				1,496
52		Lake City	1044	Replace WWTP, SBR unit, post aeration, UV disinfectant treatment	No	X		3,967,868.00				2,326
53		Benton County	1043	Development of official regulatory drainage manual	Yes	X		150,000.00				302,863
54		Bryant	1043	Installation of new parallel sewer line in Bryant area: Lea Circle	No	X		983,162.00				20,663
55		Keo	1043	Replace approx. 6,000 ft of 18 inch, 18 manholes and appurtenances	No	X		1,709,664.00	100%	Water Efficiency	1,709,664.00	204
56		Little Rock Water Reclamation Authority	1043	Support various collection system and facility projects, both asset renewals and new infrastructure throughout the City.	No	X		65,000,000.00				201,998
57		Mulberry	1043	Expand and upgrade the WW collection system.	No	X		809,125.00				1,616
58		Strong, City of	1043	Wastewater Treatment Plant improvements	No	X		214,039.00				558
59		Flippin, City of	1042	Rehabilitate existing lift station, install new bar screen, add new clarifier and sand filter along with rehab of existing manholes	No	X		1,600,000.00				1,355
60		Flippin, City of	1042	Improvements at Wastewater Treatment Plant to maintain compliance	No	X		3,304,560.00				1,355
61		Gravel Ridge SID #213 (Pulaski County MHI)	1042	Wastewater treatment plant improvements including mechanical screen, aeration and clarification, UV disinfection, post aeration and flow measurement. Additional Funding approved May 2021 for bid overruns	No	X		5,866,160.00				3,846
62		Shannon Hills, City of	1042	Wastewater Treatment Plant improvements.	No	X		823,500.00				3,143
63		Taylor, City of	1042	Replacement of wastewater collections system and manholes. This project will will reduce I&I which is an energy efficiency project for green consideration	No	X		1,633,114.00	100%	Water Efficiency	1,633,114.00	566
64		Gentry	1039	Installation of six permanent wastewater flow meters in key manholes	Yes	X		204,230.00				3,790
65		Runyan Acres SID 211	1039	New Wastewater Treatment Plant	No	X		6,713,060.00				1,420
66		Bryant	1038	Re-routing the discharge of the 8" Springhill force main	No	X		1,950,046.00				20,663
67		Bryant	1038	Rehab failing sections of deteriorated pipes	No	X		1,500,000.00	100%	Water Efficiency	1,500,000.00	21,073
68		Lake Village	1038	Re-develop activated sludge in the oxidation ditch	No	X		3,828,996.00				1,057
69		Crossett, City of	1038	Improvements to E. Crossett Sewer Collection System	No	X		10,000,000.00	100%	Energy Efficiency	7,000,000.00	5,507

Clean Water Project List Priority As of 04/01/2026

PPL #	Unfunded	Entity	Total Points	Project Description	OSG yes/no	Base or General Supplemental	EC	Estimated Project Cost	Green %	Green Category	Estimated Green	Applicant Population
70		Highland	1034	Construct a 3" forcemain to replace existing gravity sewer line, install grinder pump sta., to serve commercial interest	Yes	X		69,500.00				982
71		Mount IDA, City of	1034	Detail SSES to discover what is causing excessive overflows in sewer	Yes	X		40,000.00				996
72		Decatur	1033	Provide new headworks for the facility for compliance issues	No	X		11,500,000.00				1,773
73		EL Dorado RURAL Water	1033	Extend linework system to serve 26 additional customers	No	X		1,003,723.00				17,390
74		Paris, City of	1033	Wastewater collection system improvements and sewer system evaluation survey (SSES).	No	X		690,000.00	100%	Energy Efficiency	690,000.00	3,532
75		Greenland, City of	1027	Replacement and expansion of one lift station and replacing force main.	No	X		3,810,300.00				1,294
76		Monticello	1024	Portions of sewer line to be replaced to reduce I&I and reduce peak disch	No	X		2,300,880.00	100%	Water Efficiency	2,300,880.00	9,392
77		Rogers	1019	Facility construction to house sludge drying equipment and conveyance of dewatered sludge.	No	X		31,246,250.00				25,068
78		Warren, City of	1019	Install sewer lines and sewer force mains existing route.	No	X		3,268,361.00				6,003
79	1	Decatur, City of	98	The proposed project is to increase the capacity of the WWTP to 10.72 MGD by installing additional treatment basins, Membrane Bioreactors, UV disinfection and associated treatment systems. These improvements will enhance sludge management, support issuance of a NPDES permit modification with higher allowable discharge flows and mitigate future SSOs.	Yes	X		90,000,000.00	1%	Energy and Water Efficiency	900,000.00	1,723
80	2	Blackstone Ranch POA	84	Rehabilitate the existing WWTP as they are in violation with ADEQ	No	X		150,000.00				105
81	3	Horsebend POA, Inc	84	Gravity collection to align with Fayetteville's Master Plan /Regional	No	X		100,000.00				132
82	4	Poyen	84	New influent pump sta. / meter vault/ 4 inch force main to pump to Malvern.	No	X		3,630,000.00				336
83	5	Watershed Conservation Resource Center	80	The Illinois River watershed is identified as a top priority. This project includes construction of the stream restoration for the Phase II portion of the creek, which will reduce NPS sediment and nutrient loads to the Illinois River watershed by at least 90%, while restoring stream function to support aquatic and riparian habitat, convey flood flows, provide ecosystem resiliency, and protect critical infrastructure.	Yes	X		924,723.00	100%	Water Efficiency	924,723.00	3,545
84	6	Lowell	79	Removal of three existing systems, a new regional lift station, 14,500 l.f. of gravity sewer added and 5,700 ft. of force main.	No	X		8,631,649.00				9,844
85	7	Oxford, City of	74	Replace existing treatment plant with a new ww treatment plant	No	X		1,876,241.00	100%	Water Efficiency	1,876,241.00	573
86	8	Hatfield, Town of	69	Improvements to the overland flow fields and chlorine contact chamber	No	X		1,777,000.00				345

Clean Water Project List Priority As of 04/01/2026

PPL #	Unfunded	Entity	Total Points	Project Description	OSG yes/no	Base or General Supplemental	EC	Estimated Project Cost	Green %	Green Category	Estimated Green	Applicant Population
87	9	Mayflower, City of Water Department	69	Project includes construction of a three stage wastewater pump station and the force mains to convey raw wastewater from the City to the Conway Corp Tupelo Bayou WWTP for treatment and discharge. Additionally, ancillary improvements including the rehab of the existing WWTP raw sewage pump station into a relift pump station and a small amount of gravity main and force main rerouting to tie-to the proposed improvements.	No	X		11,656,000.00				1,984
88	10	Tyrnza, City of	69	Repair of sewer pond cells 1, 2, and 3 to eliminate issues for the operator during high flows.	Yes	X		902,000.00				716
89	11	Beebe	64	Extend sewer to 700 new customers via 15K LF of gravity sewer main	No	X		3,999,730.00				8,437
90	12	Hardy	64	Headworks, Comminutor replacement, valve replacement, clarifiers	No	X		1,339,439.00				743
91	13	Highland	64	Removal of sludge from clarifier and closed loop reactor, adjust curtain wall. Needs a surge basin to be used as sludge wasting pond	No	X		2,584,954.00				982
92	14	City of Bono	64	Collecton System Imps. , lift station replacement, new sewer interceptor	No	X		7,869,613.00				2,409
93	15	Keiser	64	Reahabilitation of the City's wastewater collection system	Yes	X		4,557,024.00				751
94	16	Little Rock Water Reclamation Authority	64	Sewer Repair Lines>18"(Large Diameter Pipe Condition Assessment and Rehabilitation Program) 4250300/Pipe condition assessment and rehab of large diameter (>18") sewer mains.	No	X		33,200,000.00	100%	Water Efficiency	33,200,000.00	204,000
95	17	Lost Bridge Village	64	Installation of 3 new pump stations	No	X		932,308.00				950
96	18	Beebe, City of	64	Construction of a vegetated detention basin of approx 20-acreft to mitigate peak stormwater flows and flooding of the South Fork subdivision. The areas have flooding and contributes to I/I. The vegetated basin will serve to treat smaller stormwater flows for TSS nutrients, and other pollutants.	Yes	X		1,500,000.00	100%	Water Efficiency	1,500,000.00	8,437
97	19	Saline County Water Works and Sanitary Sewer Public Facilities Board	64	The purpose of this project is to provide improvements to Saline County PFB's current wastewater treatment plant (WWTP) by repairing the existing headworks, constructing an additional 0.200 MGD wastewater treatment plant, an additional UV disinfection unit, and replacing the chlorine disinfection with peracetic acid disinfection. The intent is to get funding from OSG, SRF, and local bank line of credit.	Yes	X		3,696,448.00				3,488
98	20	Searcy Board of Public Utilities dba Searcy Water Utilities	64	ADEQ directed improvements to SSO violation. Rehabilitation and repair work to Searcy's sewer collection system to mitigate SSOs.	Yes	X		10,500,000.00				23,098

Clean Water Project List Priority As of 04/01/2026
