Maximum withdrawal rate: _____ (gpm)

6. THE UNDERSIGNED CERTIFIES AND/OR AGREES TO THE FOLLOWING:

That the undersigned either owns or has the right to occupy all lands necessary for the operation of the above-described structure; and agrees to abide by the Rules Governing Design and Operation of Dams in Arkansas, and that failure to comply with these Rules may result in permit cancellation and fines of up to \$10,000.00, per violation.

That no changes in design or operation of the dam or reservoir shall be made prior to having the proposed changes reviewed and approved by the Commission.

That within thirty (30) days after completion of any changes to the dam, the undersigned shall file with the Commission a statement certifying that the work has been performed in accordance with the plan approved by the Commission.

That any representative of the Commission shall have the right, at any reasonable time, to enter upon the land where the dam is built to inspect its operation and maintenance.

That upon permit issuance the undersigned shall pay annually to the Commission a fee of 12 cents per acre-foot of water impounded, at normal pool, but not less than \$25.00, nor more than \$10,000.00.

That the undersigned shall assume the legal duties, and liabilities incident to the ownership of said dam and reservoir.

That neither the State or its agents, nor the Commission or its employees, shall be held liable for partial or total failure of the dam.
