

ARKANSAS DEPARTMENT OF AGRICULTURE

LIQUID ANIMAL WASTE MANAGEMENT SYSTEM PERMIT ACTIVITY SURVEY

This form is intended to inform the Arkansas Department of Agriculture (Department) of the current operational status of permitted Liquid Animal Waste Management System (LAWMS) facilities. The information submitted will assist the Department in providing respondents with updated permit application materials, such as report forms, permit modification forms, closure forms, and programmatic updates and is not intended to offer permit coverage.

For additional information or questions, please contact:
