Table with 3 columns: TYPE OF METER, METER DESIGN, STORAGE TANK. Rows include Truck Meter, Dock Meter, Diesel Pump, Gas Pump, Mass Flow Meter, Agri-Meter, Other Meter.

This Official Placed in Service Report, and the appropriate Official test report, must be mailed within 24 hours to the Bureau of Standards executed by a Serviceperson representing a Registered Service Agency or a Registered Self-employed Serviceperson for each device calibrated, used device reinstalled at a new location, newly installed device, or an officially rejected device restored to service. You must include the original rejection tag.

This is to certify that I have repaired and/or installed and left as correct in accordance with the current version of the National Institute of Standards and Technology (NIST) Handbook 44, the equipment described above.
