“Expanded learning time” is a common term used in the education arena to describe schools or school districts that add significantly more school time for academic and enrichment opportunities to improve student achievement. A school operating longer than the traditional school day may be eligible for afterschool snack reimbursement through the NSLP provided that it operates a school day that is at least one hour longer than the minimum number of school day hours required.

Hours of Operation: _____

If using Expanded Learning time, Number of Instructional Hours per Day: _____
