

**JOB 020853**  
**YANCOPIN RD. SURFACING (DESHA CO.) (S)**  
**JUNE 24, 2026**

**Question:**

Will the contractor be allowed to mulch and remove overhanging branches and bushes to accommodate construction equipment during ditching operation?

**Answer:**

Removal can occur only on the west (trail side) side of the road. The east side is private property and will have to be worked around or permission will need to be secured by the contractor.
