Construction Contractor Information

Keep It Clean, Arkansas

Each year, more than 32 million pieces of trash land on Arkansas highways. This campaign focuses on education, awareness, and the long-term damage of littering.

[Click to learn more!](#)

It is an honor for me to serve as Director of the Arkansas Department of Transportation. Some of the most ambitious highway construction programs we've ever undertaken are currently underway across The Natural State, and I'm proud to say that we are up to the challenge.
