

**SPONSOR LETTERHEAD**

JOB NUMBER  
JOB NAME  
COUNTY

Pursuant to the Infrastructure Investment and Jobs Act (IIJA) 23 CFR Part 680 for the National Electric Vehicle Infrastructure (NEVI) Program, this project will be publicly accessible 24 hours per day, 7 days per week, year-round. Title to the right of way necessary for the construction of this project was in private ownership prior to project development. No additional right of way was acquired.

A Memorandum of Understanding between **(Sponsor Name)** and **(Property Owner Name)** for the Arkansas Department of Transportation's (ARDOT) rights of access will be attached to the project Agreement of Understanding. No construction activities will be performed without receiving a Notice to Proceed from ARDOT.

There are no displacements on this project.

There are no structures negatively impacted within the right of way area.

There are no railroads involved on this project.

No known conflicting utilities exist within the right of way area.
