Arkansas ABL Program Committee  
Restricted Investment Products Determination  
(Act 937)

The Arkansas ABL Program Committee, working in conjunction with applicable service providers, has identified the following Underlying Investment Products as restricted investment products pursuant to Act 937:

- Vanguard Emerging Markets Stock Index (VEMIX)
- iShares® Core International Aggregate Bond ETF (IAGG)

The Arkansas ABL Program Committee has established a plan to divest from the identified restricted investment products.

Respectfully Submitted,

Arkansas ABL Program Committee
