RE: Arkansas Prosecuting Attorneys

Dear Commissioners:

In anticipation of the Independent Citizens Commission's scheduled meeting on October 2, 2026, I have been authorized by the Prosecution Coordination Commission to request a cost of living/salary adjustment consistent with any salary adjustment awarded to Arkansas Circuit Judges.

When the Commission first considered salary adjustments for Arkansas Prosecuting Attorneys, a decision was made to set the salaries of Division A Prosecuting Attorneys at 95% of the salaries of Arkansas Circuit Judges. The salaries of Division B Prosecuting Attorneys were set at 85% of Division A salaries. It is our request that any adjustments continue to maintain these percentages.

I will attend the upcoming meeting and be available to answer questions and provide additional information. The Prosecution Coordination Commission thanks you for considering our proposal.

Sincerely,

A handwritten signature in blue ink that reads "Bob McMahan".
