INFORMATION TECHNOLOGY -
APRIL 2019

SECURUS VIDEO VISITATION (SVV) PROJECT**SVV Dog Kennel Installation:**

- Cummins Unit – Contractor has installed aerial fiber. Trenches necessary for ground fiber to the dog kennel are currently being dug.

Inmate Video Visits:

- Inmates completed four thousand eighteen (4,018) video visits during April and missed one hundred thirteen (113).

SECURUS TABLET PROJECT:

- A total of two thousand six hundred twenty-one (2,621) inmate tablets were leased during April.

IT/eOMIS ACTIVITIES

- VSM Video Distribution Server** – IT is working on a solution to replace the non-functioning VSM Video Server. Charles Bass was able to view the video content on the server; he is now working to access and extract the files.
- IT began working on a solution to and procedures for converting Mental Health records that are stored on CDs to a new file structure that can be uploaded using the CaStor tool to the Caringo image hardware. Once completed, these records will be accessible in eOMIS.
- Network bandwidth issues at Cummins have improved after troubleshooting and reducing the usage of high bandwidth computer systems. A pending circuit upgrade from AT&T will improve the network performance once completed.
- The Microsoft Deployment server was updated with Planet Technologies through DIS (a two-week project).

INFORMATION TECHNOLOGY, *continued*

These updates allow for the remote updating of computers from Windows 7 to Windows 10 while retaining the user data. Precautions were taken and procedures were created to reduce the downtime for each user, to verify software and file shares, and to reinstall printers. Memory upgrades were installed when necessary.

- WAGE and TABE links were updated on the Web Server and reimaged computer hard drives based on the new configuration. Staff members are working to install the new imaged computer drives for all of the WAGE computers.
- IT is in the process of testing and implementing the Handy Library at the Pine Bluff Unit Inmate Library.
- Policies that require signatures in digital form were developed.
- A conference call was held with Marquis to review a solution to replace the STAM devices for the eOMIS Biometrics entry/exit process. The new proposed solution is a tablet encased in a secured case/shell with attachable peripherals for a barcode card swipe, a fingerprint scanner, and a proximity reader.
- IT worked to restore services to Tucker Reentry, which included: network access, computers, telephone service, printers, WAGE, etc.
- Discussions at the quarterly meeting for Records Supervisors included updates on the processes involving DL/ID and classification actions involving restoration of forfeited good time.
- A conference call was held with DIS regarding the next scheduled Disaster Recovery testing of eOMIS. The DR test will be scheduled prior to June 30th.
- A conference call was held with Marquis and the ADC School District to discuss changes requested on the "Mandatory Eligibility List" for the school eOMIS module. The call was also made to obtain clarification on data fields needed by school staff.

TRAINING ACADEMY - APRIL 2019

BASIC TRAINING DIVISION –

Under the direction of Instructor Bryant Dallas, **BCOT Class 2019-D** graduated on April 19th with fifty-two (52) cadets. Linda Arnold of the Pine Bluff Unit received the Willis H. Sargent Award. Center Supervisor Jason Nichols of the Northwest Arkansas Work Release Center served as the guest speaker.

IN-SERVICE DIVISION –

Correctional Security for Non-Security (Full-Time Staff)

was presented on April 2nd-3rd. The course highlights a variety of issues of which full-time non-security ADC staff members new to a correctional setting need to be made

aware. Participants are taught correctional history, how to communicate and cooperate with security staff members, and other essential new employee information. 26 hours of eCADEMY course work is the prerequisite for attending the two-day session at the Training Academy.

Firearm Instructor Certification was offered on April 8th–12th. In this course, participants learn the elements of defendable training as related to firearms. Skills for coaching students on enhancing their firearm abilities and achieving higher scores in shooting are taught.

Blue Courage was offered April 9th and 10th at the Newport Complex for security supervisors. This 16-hour course provides the path of constant vigilance through comprehensive training; giving the officer the right inspiration (heart-set), the right reasoning (mind-set), the right skills (skill-set), and the right tools (tool-set). Blue Courage targets physical, mental, and spiritual aspects for officers to pave a clear path forward.

Mail Handling Class was offered on April 11th. This class is designed to educate staff on recommendations from the United States Postal Inspection Service to assist in preventing dangerous mail from coming into facilities. Topics such as bomb and bomb-making materials, along with poisonous items, are discussed.

Defensive Driving was offered on April 15th to multiple agencies and presented by outside staff to encourage safe driving behavior.

Correctional Security for Non-Security (Religious Volunteers) was offered April 16th and 17th to highlight issues that religious volunteers need to be aware as they enter a prison environment. This a 16-hour class.

American Red Cross CPR/First Aid/AED was offered on April 16th. This course gives staff the knowledge and ability to perform cardio-pulmonary resuscitation (CPR), to operate an automated external defibrillator (AED), and to perform basic first aid.

Undue Familiarity in Corrections: Are You at Risk?

(Webinar) was offered on April 16th, which explored the dangers and risks of crossing the boundaries of an inmate and staff relationship.

LGBTI 360° was offered on April 17th. The class provides an understanding of the terms Lesbian, Gay, Bisexual, Transgender and Intersex (LGBTI), in addition to Sexual Orientation and Gender Identity and Expression (SOGIE) to correctional staff in order to help them feel more competent working with LGBTI inmates. It also provides the basics for correctional staff to communicate in an effective and respectful manner with LGBTI inmates.

TRAINING ACADEMY, *continued*

Sexual Assault/Abuse: PREA Annual Training was held on April 17th and provided participants with the tools needed for the prevention, detection, response, and investigation of sexual abuse/assaults, sexual misconduct, and sexual harassment. Staff received information on effective and professional communication with inmates to include lesbian, gay, bisexual, transgender, and intersex inmates. Additionally, the course educated staff about an inmate's right to be free from sexual abuse/misconduct and sexual harassment as well as the right for both inmates and staff to be free from retaliation for reporting sexual assault/abuse, sexual harassment, and sexual misconduct.

Correctional Security for Non-Security (Volunteers) was presented on April 23rd. This is an 8-hour class designed for volunteers who serve in various roles within the prison environment, highlighting various issues of which they need to be made aware.

Field Training Officer (FTO) was presented on April 23rd. This course is designed to teach the best security officers at each unit or facility on how to assist newly-hired security staff with the proper methods and policies of correctional officers within the ADC.

ACA Training was presented on April 23rd. The purpose of this class was to address accreditation standards related to restrictive housing in an adult correctional institution.

Principles of Effective Leadership was presented on April 24th to supervisors interested in improving communication methods between staff.

Supervising 101 was presented on April 26th. The purpose of this course is to provide information that is useful to those seeking to grow their soft/hard skills in a leadership role. It offers practical objectives to assist in trying to move up the ladder in a supervisory role.

Sexual Assault Investigator Training (S.A.I.T) was offered April 29th-May 1st to supervisory staff to become more efficient in PREA investigations.

eCADEMY –

During the month of April 2019, seven hundred eighty-three (783) ADC employees completed a total of 12,813.50 hours of eCADEMY training. Approximately 17% of ADC employees completed at least one course during that timeframe, averaging 2.78 hours per staff member. PROJECT UPDATES

CENTRAL OFFICE

Roof Replacement: There was substantial completion of the roof replacement project as of April 1st. Minor leaks are being tracked and repaired.

CUMMINS UNIT

13 & 15 Barracks Door Revisions: Projects in Barracks 13 to change the doors to solid doors and the bullpen at the entrance, have been completed. Estimates to change metal desks in Barracks 13 to concrete are being prepared. New locks for the bullpens have been ordered.

Poultry House: The generators are being tested weekly. A meeting was held with the architect to discuss making changes to the loading ramp for coolers at the chicken houses. While rear-wheel forklifts are able to get up the ramp, so far they have proven to be too large to operate in the cooler. A request has been made to the Agricultural Division to look into purchasing a second forklift that's the same size as the existing one, but is front-wheel drive.

Precast Recreation Yard: A contract was awarded to WD&D Architects to design precast recreation yards. WD&D is working on plans to submit to DBA.

DELTA UNIT

Cameras: Interior installation of camera equipment has been completed.

Entegrity Energy Improvements: Entegrity is 100% complete with all upgrades.

EAST ARKANSAS REGIONAL UNIT (EARU)

Bull Pens: Materials for construction of bull pens are being purchased.

Entegrity Energy Improvements: Entegrity is 100% complete with lighting and plumbing upgrades, compost equipment installation, and the solar array has been installed and is operational. A contract with Entergy for providing electric service to new solar system was approved and returned to Entergy. Wood pellets have been delivered and staff were trained on compost operation. Work on the HVAC upgrades is 98% complete.

Isolation Recreation Yards: The isolation recreation yards have been completed.

Max Precast Recreation Yard: The architect submitted plans for the precast recreation yards to DBA, who issued approval to proceed. The plans were revised to include a walkway for officers. Work with a vendor on pricing for the precast walls was done. An updated detailed budget estimate, and documents to bid the project, have been prepared. The plans were sent to the Office of State Procurement for bid preparation.

ESTER UNIT

Phase 3: The parking lot is in the design phase. DBA has concerns with the parking lot being in the floodway. The existing stream banks will need to be modified so that they do not change flow during floods. Exterior lighting and cameras will be installed following completion of paving of the parking lot.

MAXIMUM SECURITY UNIT

Armory: The Varner armory plans have been approved and were modified for use as the Maximum Security Unit armory plans. DBA is reviewing the plans.

Cameras: The installation of camera equipment upgrades is underway.

Precast Recreation Yard: The design for pre-cast recreation yards is currently underway by WD&D Architects, who was awarded the contract.

MCPHERSON UNIT

Expansion of Administration and Visitation Areas: Plans to increase the size of the McPherson Unit's administration and visitation areas (similar to those at the Grimes Unit) were prepared by the architect and have been approved by DBA. Bid documents are being prepared. Construction supervisors are onsite and are ordering materials for the project. State Procurement will handle bidding of the precast roof structure.

PINE BLUFF UNIT

Barracks 9 Renovations: The construction in Barracks 9A, 9B, 9C and 9D is complete.

Barracks 10 Renovations: An additional sink and toilet fixture were added to the Barracks 10 restroom, which completed the renovation of the former Central Records Building into Barracks 10.

TUCKER UNIT

Camera: The installation of camera equipment upgrades is underway.

Water Treatment: Funding in the amount of \$1,093,848 was received from the Governor's Office, which covers 1/3 of the cost of total renovation of the water plant. Documents for the selection of a design firm are being prepared.

VARNER UNIT

Armory: Plans for the armory that were approved by the Department of Health and the State Fire Marshal were re-submitted to DBA and have been approved and released for construction.

Bull Pens: All bull pens for the Varner Unit open barracks have been completed and are ready for use.

Cameras: Interior installation of camera equipment has been completed.

Isolation Recreation Yards: Isolation recreation yards have been completed.

PROJECT UPDATES, *continued*

WRIGHTSVILLE

ACI (Industry) Roof Replacement: The contract for a new metal roof was bid out, awarded and roof replacement is 100% complete. The replacement of interior and exterior lighting has also been completed.

CONSTRUCTION/MAINTENANCE PERSONNEL UPDATE

The following Construction/Maintenance position(s) were vacant at the end of April 2019:

- 3 Construction Project Specialists (Statewide)
- 1 Construction Project Coordinator (Statewide)

AGENCY HIGHLIGHTS

AGENCY WIDE:

Legislation Signed

On April 3rd, Governor Asa Hutchinson signed Act 582 of 2019 into law with an Emergency Clause that made it go into immediate effect. Under the Act, if Battery in the First Degree is committed against an employee of a correctional facility (defined as a person who is employed by or working under a professional services contract with the Department of Correction or Community Correction), it is a Class Y felony. This legislation demonstrates that protecting correctional employees from violence in the workplace is a priority of the state. It was a great honor for former Cpl. James Duke from the Maximum Security Unit and his wife to be present for the signing. Senator Missy Irvin and Representative Reginald Murdock were the sponsors of the legislation.

Reentry Week

A Volunteer Appreciation Luncheon was held at the Hawkins Center on April 24th as part of the week-long celebration of Arkansas Reentry Week. This annual event provided an opportunity to say "thank you" to the individuals that make

the Think Legacy Program possible. Several former Think Legacy participants spoke at the event and the Paws in Prison dogs also showed off their obstacle course skills.

GRIMES UNIT:

Unit Employees Donate Blood

The Grimes Unit hosted a Blood Drive on April 8th. Staff participation was excellent with a total of 18 units of blood collected! Sgt. John Sparks was one of the many donors.

NORTH CENTRAL UNIT:

National Park Service Purchases ADC Horses

In mid-April, the National Park Service purchased two quarter horses from the ADC to revitalize Buffalo National River's mounted patrol program in the Steel Creek area. The horses, named Nacho and Cinco, have undergone several years of routine training and active service at the North Central Unit. They worked specifically on squads and regional maintenance at the Calico Rock facility. Horse Program Manager Tom Green transported the new horses to Steel Creek and facilitated a three-day training on equine care, barn management and horsemanship for Buffalo National River personnel.

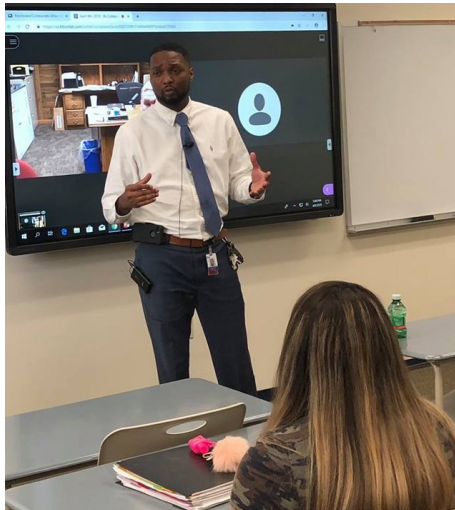

AGENCY HIGHLIGHTS, *continued*

OUACHITA RIVER CORRECTIONAL UNIT:

Deputy Warden Shares Expertise with College Class

Deputy Warden Anthony Jackson of the Ouachita River Correctional Unit (ORCU), was the guest speaker for an American National Government class at the College of the Ouachitas in Malvern, Arkansas on the evening of April 9th. Mr. Jackson spoke on several topics which included the overall budget of the Arkansas Department of Correction, work release programs, and the economic impact that the ORCU has on the local economy.

Negro Boys Industrial School,” where, in 1959, 21 African-American boys were killed in a dormitory fire. The inmate council at the unit originally came up with the idea for a memorial and they, along with the Wrightsville Employee Corporation, donated the majority of the money spent to construct the permanent marker.

TRAINING ACADEMY:

Criminal Justice Students Visit Academy

On April 23rd, sixteen Criminal Justice students from the Southeast Arkansas Community-Based Education Center (SEACBEC) located in Warren toured the ADC Training Academy in England. The students and teachers received a lot of good information about the correctional side of the field. Students were given a tour of the facility, got to sit in on three different classes and were introduced to several key staff members who were present for training. While some of the students are interested in becoming police officers and dispatchers, some are even interested in following a career path in corrections!

VARNER UNIT:

Kickoff for Unit Seminary Held

The official kickoff for the Varner Unit Seminary Program took place at the Arkansas State Capitol on April 30th. There is a great deal of support for the program, which will begin this Fall semester as a fully-accredited degree program provided by the Mid-America Baptist Theological Seminary!

WRIGHTSVILLE UNIT:

“Wrightsville 21” Memorial Dedicated

On April 25th, a memorial dedication ceremony recognizing the “Wrightsville 21” was held on the unit’s grounds. The Wrightsville Unit sits on the site of the former “Arkansas
