

Fireworks or Aboveground Storage Tanks (ASTs) Permit/License Application Instructions

Creating your account:

- You will need to use a personal computer/laptop as this program is not iPhone, iPad, or android compatible.
- Choose a Username other than the email address you will associate with this account. (You cannot use your email address as your Username.)
- Create a password you can remember. Our agency does not have the ability to find or reset passwords.
- Phone number: Use a number associated with a cell/mobile device (not a land line), as access and notification are network-based.
- Internet Browser: Use Google Chrome or Firefox browsers for best results.
- Links to your account will come via portal-generated emails. These emails will be labeled as “No Reply” and might be routed to your spam/junk email folder so please check that folder for fireworks related messages.
