MISSION

The Arkansas Crime Victims Reparations Board pledges to serve the needs of eligible victims of crime, and their dependents, who have suffered personal injury or death as the result of a violent crime. The Board and its staff recognize the special needs of those victimized by violent crime and accept the responsibility to provide financial assistance to victims who qualify under program guidelines. In this way, the Arkansas Crime Victims Reparations Board and staff are committed to restoring the lives that have been impacted by violence.

GOALS

The goal of the Arkansas Crime Victims Reparations program is to provide compensation for victims' unexpected expenses, such as medical treatment, mental-health counseling, rehabilitation, lost wages, replacement services, and funeral expenses.

ARKANSAS CRIME VICTIMS REPARATIONS BOARD

CHAIRMAN'S COMMENTS

On behalf of the entire Arkansas Crime Victims Reparations Board (ACVRB) and its staff members, it is my humble honor and great privilege to present the ACVRB 2020 Annual Report. This report covers the activities of the ACVRB from January 1, 2020 through December 31, 2020. The Board and staff strive to provide timely and much needed financial assistance to the citizens of Arkansas who have suffered personal injury or loss as a result of a violent crime.

This report overviews the ACVRB mission and goals, identifies Board members and staff, provides a summary of claims received and awarded, and covers total compensation paid out to Crime Victims and Sexual Assault Victims. The report also provides a county-by-county breakdown of the number of awarded claims and compensation received by citizens of each Arkansas county, plus some examples of types of financial assistance paid out by the ACVRB.

2020 was the first full year that the ACVRB was housed administratively under the Arkansas Department of Public Safety, and we are very grateful for the continued leadership and support of Jami Cook, Secretary of the Department of Public Safety. We also want to recognize Lt. Colonel Tim K'Nuckles, Deputy Director, Administrative Operations, Arkansas State Police, and Amanda Yarbrough, Staff Attorney, for all their wisdom and guidance to the ACVRB as we work to fulfill our Mission and Goals. While the Covid-19 pandemic forced the cancellation of the annual National Crime Victims' Rights Week celebration in Arkansas, and our opportunity to honor a Crime Victims Advocate of the Year, the ACVRB otherwise did not skip any beats in marching to the drum of continuing to process claims and to assist crime victims in our State. Operations readily continued at full capacity with a smooth transition to the "new normal" of masking and maintaining appropriate social distancing and with an increase in working remotely and conducting virtual meetings as needed and appropriate.

If you have any questions about the information contained in this report, or about the operations of the ACVRB, please contact the Arkansas Crime Victims Reparations Board at 501-682-1020 or 501-682-1323.

Respectfully submitted,

The Arkansas Crime Victims Reparations Board was created by the legislature in 1987 in order to help minimize the financial burden realized by victims of violent crime. Since its inception, the Board has disbursed millions of dollars to crime victims. Although this financial assistance did not erase the scars left by violent crime, it did help many people to rebuild their lives.
