

The Honorable Betty Dickey
Redistricting Coordinator
Arkansas Board of Apportionment
Arkansas State Capitol, Room 25
Little Rock, AR 72201

Dear Madam Chief Justice:

The Northwest Arkansas Chambers of Commerce respectfully submit the attached Arkansas Senate map for the Apportionment Board to consider as it begins the process of drafting new district lines. The attached map and data file covers Senate Districts that are primarily based in Benton and Washington Counties.

This Senate district map is based on current census figures, Apportionment Board comments made at the meeting held in Bentonville, does not split precincts, and are drawn to a less than 1% variance. We believe that this map meets the criteria of population, equal protection, compactness, and contiguity. We also believe that it preserves the core of the existing districts, promotes communities of interest, maintains the continuity of representation, minimizes partisanship, and complies with the Voting Rights Act.

Northwest Arkansas is the fastest growing area in the state and one of the fastest growing areas in the nation. The Northwest Chambers believe this Senate district map that we have submitted will allow for this growing region to be adequately and fairly represented for the next ten years. Thank you for your consideration.

Respectfully submitted,

Steve Clark, President and CEO, Fayetteville Chamber of Commerce

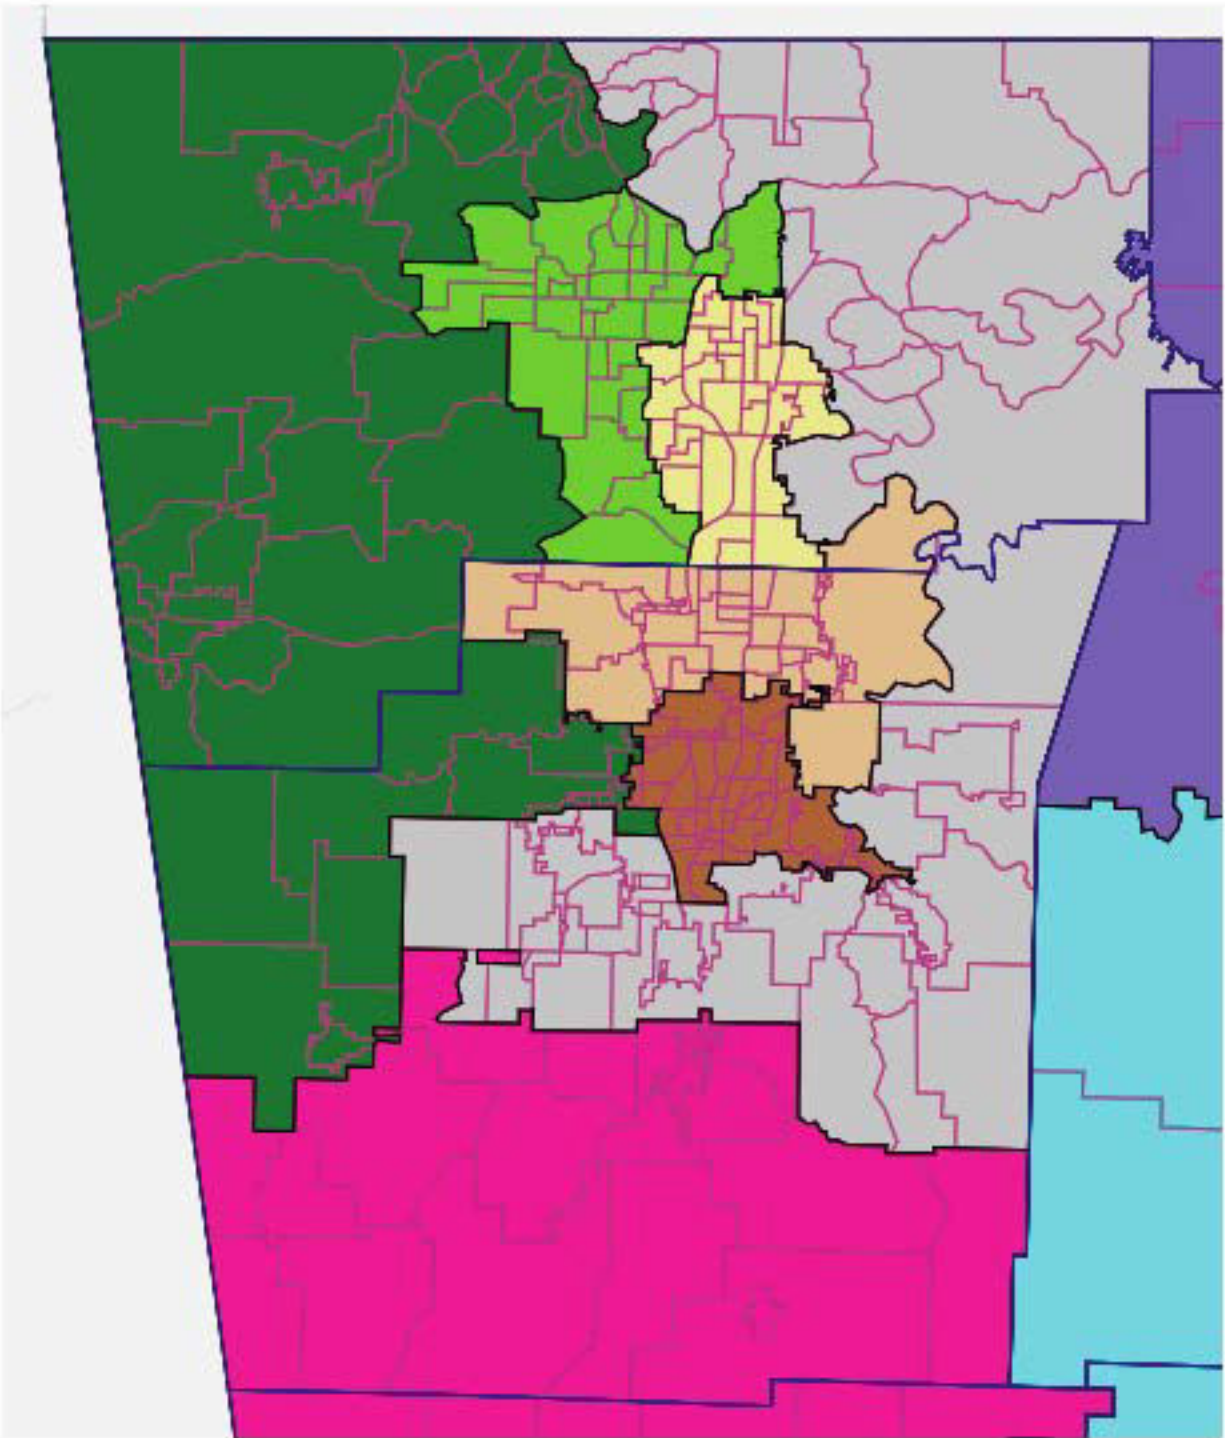

Raymond Burns, President and CEO, Rogers-Lowell Area Chamber of Commerce

Graham Cobb, President and CEO, Greater Bentonville Area Chamber of Commerce

Bill Rogers, President and CEO, Springdale Chamber of Commerce

Arthur Hulbert, President and CEO, Siloam Springs Chamber of Commerce
