

THE FATE OF THE DAY

An If All Arkansas Read The Same Book Supplemental Reading Guide

The Fate of the Day (New York: Crown Publishing, 2025) is the second historical work in Rick Atkinson's American Revolution trilogy, covering the middle years of the war; with Benjamin Franklin in Paris, British General William Howe in New York, and the epic battles at Brandywine, Saratoga, Monmouth, Charleston, and Valley Forge. Historical research can take place by reading books, delving into archival materials, experiencing objects in museums, and more. We hope this guide helps with your journey discovering contexts of American history in the year of the United States Semiquincentennial.

Titles with Related Themes

The Arkansas Post story Arkansas Post National Monument

By: Roger E. Coleman (1987)

Did you know there was one battle west of the Mississippi during the Revolutionary War? This battle took place at Arkansas Post in Gillett, AR and is the only Revolutionary War battle to take place in our state!
